+40 748 575 751

Summary

I am a networking & telecommunications graduate (B.S.E) with project experience in the private sector. I worked at Digi Communications, also known as RCS & RDS (romania communication systems - romania data systems), as a Tech Support for clients. Now I'm developing a mobile app for Paymo, a Project Management Platform.

Experience

Fullstack Javascript Engineer - Paymo

2017 - present

- Implement a Notifications Systems - a queued system that sends email notifications, in-app notifications, and mobile notifications (using Firebase) to concerned users using PHP Resque & Redis
- Develop a timer widget using Electron so that users can easily track time and add time entries from their desktop platforms
- Develop a mobile app that resembles the web-app functionality using ReactNative, GraphQL & other libraries
- Create an onboarding progress tutorial for newly subscribed users using React

Junior Javascript Engineer - Paymo

2015 - 2016

- Implement a File Uploader system that uploads in chunks on S3
- Restyled an old application using SCSS compiler & give valuable UX advice

Tech Support / Customer Service Representative - RCS-RDS

2012 - 2015

- Diagnose client problems and solve them via intern systems
- Add & solve technical tickets

Education

Graduated as B.Sc.Eng - University of Oradea
